

Three residents at the New Hampshire Correctional Facility for Women presented Pope Memorial SPCA of Concord with approximately 100 handmade blankets to be used by the animals awaiting adoption. These residents worked diligently on these beautiful hand sewn blankets for about two months. The material used to make the blankets was donated by multiple people and organizations over time. The residents enjoyed this meaningful project and hope to be able to make blankets regularly and also to donate the blankets annually. Heather Faris, Executive Director and Carole Palmer, Board Member, gratefully received the blankets on behalf of Pope Memorial SPCA.

From left to right are Resident Hernandez, Heather Faria, Warden Plante, Resident McLaughlin and Carole Palmer.

Tiffany from Pope Memorial SPCA enjoying one of the donated blankets!
